

### From The East - Michael Ault - Worshipful Master

#### Brethren,

In my short time in the East, I have had the privilege and blessing of experiencing Masonry at work in so many different and powerful ways. The dedication of our Officers in the performance of their duties, the excellent work displayed by those brethren involved in degree work and the charitable works of all who give their time and energy to help others are just a few of the many facets of Freemasonry in action.

In May, I had the distinct honor and pleasure of seeing yet another facet of Freemasonry in action when, under special dispensation from the Grand Master, Euclid Lodge No. 65 held its first Table Lodge at Medinah Shrine Center.

Thirty-three brethren were in attendance including one Entered Apprentice, one Fellowcraft, twenty Master Masons, two 33rd Degree Masons, four Past Masters, a Grand Lecturer, three District Deputy Grand Masters and the Assistant Area Deputy Grand Master. Eight of the Master Masons in attendance were raised in the last

two years at Euclid Lodge, seven of which participated as rehearsers, responders, discourers or in an officers role that evening. In addition to the brethren of Euclid No. 65 that were present, there were two in attendance from Amity No. 472, one from King Oscar No. 855 and one from Des Plaines No. 890.

It was an exciting evening filled with brotherhood and cheer as we raised our glasses to the Craft. A visit to Kelvyn Park-Willing No. 1075's Table Lodge, also conducted that night, provided another opportunity to toast the brotherhood!

As wonderful as the camaraderie was, it was the deep message and personal meaning of Freemasonry we shared that evening that made it such a very special night.

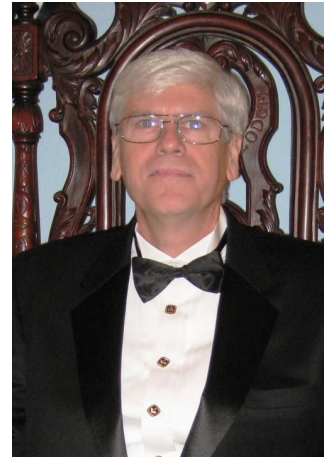

My special thanks to Brothers Simpson, Fryer, Park, Zears, Hamilton, Mao, Lindberg, Van Thyne, Tseng and Molloy who talked to us that evening about the Tenet of Brotherly Love, the Seven Arts & Sciences, the 4<sup>th</sup> Furthermore, the Hour Glass

and the World Wide Brotherhood. They shared those rituals that we have all heard so often and what they meant to them personally. They shared stories, experiences and observations in their lives that truly touched all those present.

Their words are a reminder to all of us that it isn't the meetings, committees, events or ceremonies that make "good men better". It is the faith, tolerance, benevolence and brotherhood we share as fellow Masons, both within our fraternity and through our actions towards all mankind, that truly define our Craft.

Fraternally,

Michael D. Ault  
Worshipful Master  
Euclid Lodge No. 65

**Michael Ault**  
Worshipful Master.

### Dues Status:

Just a brief word on the subject. As of this date we still have 23 members that owe 2010 dues. Sad to report but none the less true, we suspended 6 members for non-payment of dues of at least two or more years of back dues.

As we have said many times if paying your dues creates a financial problem please let the WM or Secretary know and we can help. It is a lot easier on the Secretary to keep a member on the rolls than to jump through all the hoops necessary to suspend him. But, we really need to know before we can do anything, so please let us know before you get suspended.

**OBITUARY NOTICE** Once again, a Brother Mason, having completed the designs laid down on life's Trestleboard, and having answered the last summons of the Grand Warden of Heaven, has now entered the Celestial Lodge above, over which the Su-

preme Architect of the Universe presides. **Bro. Charles William Wiggins** was born on November 25, 1922 at Minneapolis, Minnesota. He was elected to receive the degrees on November 02, 1965 he was initiated an Entered Apprentice on December 21, 1965; passed to the degree of Fellowcraft on January 18, 1966; raised to the sublime degree of Master Mason on February 15, 1966. All degrees were taken in Euclid Lodge. He served Euclid Lodge as Worshipful Master during the Masonic Year 1975. He was called from his labors on earth to Eternal Refreshment in The Paradise of God on April 28, 2010 at Warrenville, Illinois. Thus ends the Masonic Record of this just and upright Mason.

As a reminder, the lodge will be dark during July and August but that does not rule out the possibility of special meetings to work down our back log of degree work. There are a couple of fun summer events planned that you will not want to miss. Keep checking the web site and stay current with all lodge events during the summer months.

So brethren until next month, "There is nothing on the Secretaries table, Worshipful"

## More Light In Masonry

### Freemasonry Around the World

#### Hungary

- First Hungarian Lodge was founded in Brasso, Transylvania (now part of Romania) in 1749 by Saxon inhabitants of Germany
- 1781, Hungarian Grand Lodge was formed with union of Austrian Grand Lodge
- Hungarians being independent minded, criticized Emperor Joseph, and thus Emperor Francis dissolved lodges in late 18th century.
- Arguably the most influential Hungarian Mason, Louis Kossuth led the Freedom Movement, movement to bring back Masonry to Hungary. It was defeated in 1849, and Kossuth fled to Cincinnati, OH and became an influential mason in Ohio.
- The spirit of the Freedom Movement was alive, and by the early 20th century, Hungarian Freemasonry boasted 7000 members. When Hungary became a constitutional kingdom in 1868 with Austria, this again created a positive environment for Masonry.
- Masonry after World War I went underground especially around 1950, when Hungary was first controlled by Soviet Union. Masonry was considered "Western Imperialism"
- Austria nurtured 4 Hungarian lodges during anti-masonic times. They are now flourishing. An example of brotherly love and relief.
- Perestroika in 80's allowed for travels again, and in 1989 Masonry was legalized.
- If you went to a Hungarian lodge today, ritual is German and Austrian based, brethren work in plain jacket and tie, lodge has little ornaments. This is to pay tribute to all Hungarian masons during difficult times, as Masons did not want to be "noticed" in public.

#### Chile

- 1850- First Lodge formed by French immigrants from Bordeaux (Grand Orient of France) mostly intellectuals, doctors, and lawyers- stressed knowledge and free thinking, Second Lodge formed, American Immigrants, Grand Lodge of Mass.
- 1853- First Chilean Lodge formed, spin-off of French Lodge. Grand Orient of France allowed Lodge to do ritual in Spanish. First WM was Brother de Lima, arguably most influential Chilean Mason.
- 1861- Napoleon's grandson, Napoleon III took control of Grand Orient of France, and placed his friend as Grand Master. His friend was Pro-Catholic and passed all 33 degrees in 1 day. This infuriated all masons, especially Chilean, and Brother de Lima led break off from France.
- Peru Masonry acted as Chile's advisor in Masonry after break-off from France. Better communication due to distance, also Peru had strong and early Masonic history. Good example of brotherly love and relief.
- Today, it is difficult to get into Chilean Masonry. However Masonry has increased by 50% in last 15 years. Name means nothing in getting into Chilean Masonry. Must do significant amount of community work. They meet once a week, a talk is presented each meeting, and there is vigorous debate of Masonic presentations. Entered Apprentice degree last 1 year as you must study symbolism, ritual, and know all officer parts.
- Chile's lodge is dedicated to truth.

#### Other international Masonic information:

- Romania's national anthem, composed around 1870, is defined by masonic ideals and literature. Anthem was suppressed when Soviets controlled, but was brought back after fall of Soviet Union. Some words have changed but message still active.
- Sweden- monarchy loved Masonry so royal family had declared themselves Grand Master until late 1980's
- Japan- Masonry was brought to Japan by Dutch, however Masonic ideals and symbols are seen as early as 600 years ago. Star of David in Architecture.
- Egypt- Anglo-Saxon and French lodges were rivals.

#### Conclusion:

- 3 tenets and 4 cardinal virtues are found (examples) everywhere in Masonic history. 3 t's and 4 cvs are the backbone of Masonry.
- Wherever there is anti-masonic leanings, there is suppression of knowledge and free thinking.
- The relationship between monarchy and free masonry is complex. Some monarchies love masonry, some are anti-masonic, and some mold and transform Masonry for their personal agenda.

## Jaws

Recently when in South Africa I did a Great White Shark dive. These pictures were taken in Gansbaai South Africa [two hours from Cape Town]. A rope with Tuna heads tied to it and chum are put in the water. I was in the cage when a 1000 lb Great White hit the bait and crashed into the cage knocking me over. It was an exhilarating experience to say the least!
