

From The East - Brandon A. Zears - Worshipful Master

Brethren,

As we finish summer and open the lodge back up, you may notice a few more changes. The temple board has been busy working on the continued long term renovation projects to improve the lodge. A big thank you to a key member who was an instrumental part being the tip of the spearhead in taking the lead to George Murray. He worked tirelessly with the contractors to make sure the new ceiling was finished while we were dark.

Over the summer we had our annual picnic where many brothers attended with their families, with a big thank you to WB John Will for setting up the event and arranging all of the details. It was a great event as always and a nice way to see all of the brothers while we were dark during the summer.

It is a great honor to be the master of the lodge in the 100th year of the building, and we will celebrate the laying of the cornerstone on Saturday Septem-

ber 10th at 2pm. There will be some light refreshments and a special gift for the members in attendance. I am excited for the next 2 months as we enter into the next century of being in our building and the next corps of officers taking over and leading us onto great things.

I look forward to seeing all of you at our meeting on September 6th as we come back from our summer break, and for everyone that has not heard, Trinity Commandery No 80 of Knights Templar has chosen to move its location to the Naperville Temple and will start holding meetings in September in its now location.

Until next month, I look forward to seeing all of you and sharing in some great fellowship soon.

Fraternally,
Brandon A. Zears

BEING HAPPY

There are two ways of being happy; we may either diminish our wants or augment our means. Either will do, the result is the same. And it is for each man to decide for himself, and do that which happens to be the easiest. If you are idle or sick or poor, however hard it may be for you to diminish your wants, it will be harder to augment your means. If you are active and prosperous or young or in good health, it may be easier for you to augment your means than to diminish your wants. But if you are wise, you will do both at the same time, young or old, rich or poor, sick or well. And if you are very wise, you will do both in such a way as to augment the general happiness of society.

Benjamin Franklin
